

why not have your cake...and eat it?

Fused Networks Converged Solutions

Wireless Metropolitan Area Network

THE WMAN solution for all companies within Greater Manchester, Liverpool, Leeds, Sheffield and Dublin offering cost effective inter-branch/office support for converged IP voice, data and streaming video applications; very high speed internet access; back up, disaster recovery and CCTV/temporary surveillance.

from only £226/month for 1Mb connection

- Dedicated, secure access of a leased line but with a similar pricing structure to SDSL services
- Rapid deployment – only 10 working days installation compared to up to 45 days for a leased line
- 99.95% uptime SLA
- Secure POP rooftop sites
- Exceptional Quality of Service
- Highly secure access with no shared inter-connects
- Zero contention anywhere on your connection
- Discreet installations with minimal disruption to business
- Flexible bandwidths with easy upgrade path
- An alternative to BT in Greater Manchester, Liverpool, Leeds, Sheffield and Dublin
- Award winning Channel Partner Programme and White Label service available.
