

why not have your cake...and eat it?

## Fused Networks Converged Solutions

### Up to 24Mb\* LLU modular broadband

Quality broadband solutions designed for the Channel marketplace offering excellent opportunities for margin from the Comms Channel ISP of the Year 2006 and 2007. All our services are fully managed and a reliable and robust basis for your converged solutions.

**from £4.61/month with no hidden extras**

Fused Networks standard broadband is a LLU service suitable for data with low sensitivity to delay offering:

- Up to 24Mb speeds and 1Mb upstream\*
- 1 Fixed IP address, 1 e-mail account and 5Mb webspace
- 1Gb usage
- FREE router

Our partners can then choose to upgrade the standard service to a business service, opt for additional Gb or an unlimited service\*\*, so creating their own bespoke services for customers.

With complete autonomy over the ADSL2+ LLU service, Fused Networks partners are ideally placed to offer the most competitive LLU services in the UK.

\* Fused Networks' LLU service is available on 55% of exchanges. Availability is subject to line strength and distance from the exchange – typical speed is 16Mb.

\*\* Fused Networks' Fair Use Policy is available on our website [www.fused-networks.co.uk/usagepolicy](http://www.fused-networks.co.uk/usagepolicy).
